(Flint, Michigan) Flint Bishop International Airport (FNT) is thrilled to announce a unique visitor program authorizing non-traveling individuals to visit airside (beyond security screening). Bishop International Airport is among only five U.S. airports to offer something like this in over a decade.

“The FNT Visitor Pass allows non-ticketed people the opportunity to go airside and spend some extra time with friends and family, say goodbye to their loved ones or to meet them at the gate to surprise them, and enjoy our restaurants and gift shops. Bishop International Airport is committed to providing a safe, convenient, customer experience,” said Nino Sapone, Flint Bishop Airport Director.

FNT Visitor Pass applicants may register up to, but not more than 24 hours in advance of their visit at <https://www.bishopairport.org/your-flight/general-information/fnt-visitor-pass>. The FNT Visitor Pass is a free program available (5) days a week, Monday through Friday from 8:00 a.m. - 6:00 p.m.

The FNT Visitor Pass program will begin accepting registrations on Thursday, January 16, 2020, allowing access to the airside terminal post-security, starting Friday, January 17, 2020.

FNT Visitor Pass users are subject to the same security procedures as ticketed passengers. All participants must go through the general boarding lanes at the security checkpoint to be screened by the Transportation Security Administration (TSA). The TSA and/or the Bishop International Airport Authority reserve the right to revoke the FNT Visitor Pass from any individual who may pose a security risk, a risk to any passengers or customers, and/or violates any of the rules and regulations of the airport or TSA. Information on prohibited items and Identification requirements can be found at <https://www.tsa.gov/travel/security-screening/whatcanibring/all-list>.
